

MONTHLY MENTORSHIP CLUB

2022 OUTLOOK

FUTURE
LEADERS
BERMUDA

SERVICE • STUDY • MENTORING & EMPOWERMENT

PROJECT DESCRIPTION

An initiative of the Future Leaders Programme to engage all Future Leaders on a monthly basis throughout the school year, in order to foster engagement and collaboration, promote skills development and self-improvement and build a sense of community within Future Leaders Programme cohorts.

Once per month, students will engage in a fun activity at a local establishment. Each activity, inclusive of a meal will be coupled with a 1-1.5 hour educational session held by a mentor or professional in order to advise on a variety of life skills and topics set by the Future Leaders Bermuda team.

OBJECTIVES

By the end of the school year, Future Leaders should be able to:

- Be better equipped in crucial life skills areas based on a consistent desire for self-improvement;
- Exhibit an improved sense of camaraderie and connectedness with Future Leaders from various year groups;
- Feel a sense of duty and empowerment to embrace individual and collective changes within their cohort and communities.

KEY EDUCATIONAL & SKILLS AREAS

SAMPLE OUTLINE

Tonisha Key-Holmes
Head Teacher

Enrollment Process

To better organize event details and student registration, **Eventbrite** will be used to facilitate all Monthly Mentorship Club events.

Registration will include the following information:

- Event description (venue, time, date)
- What students need to bring
- Parental consent (if required)
- Antigen or lateral flow test free collection option
- Medical conditions, allergies & special diets
- Current COVID-19 restrictions / regulations

Check out our event page at futureleadersbda.eventbrite.com

Sponsorship

Quarterly reports to include;

- Program benefits
- Key event take-aways
- Attendance counts
- Student testimonials
- Photo and/or video

To celebrate their 70th anniversary, Argus ran a competition entitled "Our Future Youth", to give away funds to local youth focused initiative.

With Argus funding of \$15,000 BMD, it is estimated that the mentorship initiative can be sustained for an initial period of approx. 18 months (or two school years).

Health & Safety

COVID-19 Restrictions & Precautions

- Updated COVID-19 Government Regulations should be checked regularly before hosting each event (14 days, 7 days and 3 days before)
- Events will operate with a minimum attendance number, so that students will not be required to ascertain a SafeKey
- Students will be required to wear PPE and social distance in accordance with government guidelines
- For events with higher registration than capacity allows, event dates may be split up on the Saturday and Sunday afternoon
- If the engagement and activity is conducive, presenting to the students via a virtual platform (zoom or google meets) would be acceptable
- Students are required to take an antigen test/ lateral flow test the morning before each event. Students must email a 'selfie' photo of themselves and the antigen test to alister@futureleaders.bm before attending.
- Should a student arrive without testing, a free antigen / lateral flow test will be provided and the student will self- isolate until a negative result, giving access to the event.
- Students who would like to receive a free test, should indicate via online registration to coordinate collection with the Operations Manager prior to the event.

*In accordance with current regulations, an estimated **360** COVID-19 antigen/lateral flow tests are needed at minimum to cover each staff, student & community partner who participates .

MEASURING SUCCESS

MONITORING & REFLECTION

To ensure student commitment and measure engagement, students will be provided with journals and will be required to reflect on each mentoring workshop session.

Other tools available include:

- Feedback surveys from students and facilitators at the end of the programme
- Video interviews and reflection from students
- Voluntary sharing of journal entries for publication

COMMUNICATIONS STRATEGY

Future Leaders Bermuda will provide regular updates to Argus on project status and consult on all media publications.

The following methods of distribution are proposed:

- **Joint press release** to announce mentorship programme launch (written circulation to main media outlets for print)
- **Dedicated webpage** on Future Leaders Bermuda website to highlight Monthly Mentorship Club
- **Social Media Promotion** on all outlets with regular updates and features of the workshop sessions
- **Spotlight Press Opportunities** at closure of programme and at select moments throughout
